Subject: Revised Maps, Star Stone, Peoa Blonde Quarry, M0430012, Task 2306, Summit County, Utah

Dear Mr. Thomas:

The Division has reviewed the maps you submitted March 14, 2008, for the Peoa Blonde Quarry. The mine plan contains several maps, and the changes to the permitted area need to be reflected on the maps and in the acreage figures in the text of the plan. There may be additional items in the plan that also need to be changed.

Map 3.1 included in the March 14, 2008, submittal shows three soil stockpiles to be moved, but these stockpiles should be used within the Wright/Garff mining area rather than being moved.

Please modify the map as indicated and submit a complete set information to make the changes to the plan.

If you have questions about this letter, please call me at 801-538-5258 or Paul Baker at 801-538-5261. Thank you for your cooperation.

Sincerely,
